

Hello neighbors, family and friends!

Many of you may know me already, but for those who don't my name is Kathleen Solomon and in addition to working at the LIBC, I'm also an Educational Advocate with FuturesNW. Given the limitations of COVID-19, I am currently unable to meet with families like I used to, however I would still love to support you virtually and with paper resources. I'm still available to support you virtually or while practicing social distancing with College/Career exploration, applications, Financial Aid and more. My help is free of cost and I am volunteering because I passionately believe in you and your dreams.

If you have questions about post-secondary pathways support please email, call, or text me at [KatSolo360@gmail.com](mailto:KatSolo360@gmail.com), or **360-296-0551**. If you have reached out to me at my LIBC email, I don't currently have access but would love to connect with you via my Gmail account.

Local career, training, college, Financial Aid, scholarship, and COVID-19 resources can also be found at **Futuresnw.org**.

In a few weeks, we will have a drawing to win gift certificates to the **Lummi Bay Market** and would love for your name to be included in that drawing. If you are a senior in high school and have completed your Financial Aid application or are a 9th-11th grade student who has completed a RaiseMe account, you will qualify to be in the drawing. If you have not completed your Financial Aid application or RaiseMe account, and would like to, I am here to help. To enter the drawing, contact me and let me know what grade you are in, what you have completed, and how I can support you in your next step.

I'm thinking about you all as we navigate this strange time together and am looking forward to supporting you.

Hy'shqe,

Kathleen Solomon
